Approval of 2023 Congress Minutes

The Minutes from the 2023 Congress were approved

2023 Financial Report

Delivered by Michael Eschlbock, IFAF Financial Director

- IFAF is grateful to the NFL for their support, which has enabled many initiatives.
- Notable that in the past 25 years, many federations who started with nothing now have healthy budgets.
- The Olympic recognition now opens opportunities for members to generate funding that was not previously available.
- IFAF income is rising.
- Having Flag Football as an Olympic sport creates an opportunity for every federation and strengthens the IFAF relationship with the NFL.
- The 2025 budget is to be approved by the board following elections.

Confirmation of auditor Julien Legrand

Andy Fuller proposed that IFAF continues with membership of Accord Sport for the next fiscal year.

No objections

Approved

Report of the Executive Board

Report of the Executive Board covering the period of the last year by IFAF Managing Director Andy Fuller.

- Congratulated Canada for winning gold on home soil at the 2024 IFAF U20 World Junior Championships in Edmonton and for their junior development, which continues to be outstanding.
- USA again provided world class entertainment, athletes and coaching to defend their FFWC titles, living up to their moniker of the 'gold standard' as usual.
- There was much to celebrate off the field as following on from securing IOC recognition, IFAF received full membership of The World Games association.
- The World Games is a fantastic partner and IFAF is honoured and privileged to be a part of that relationship.
- Equally fantastic in terms of competitions was the IFAF Flag Football World Championship held in Finland. Andy Fuller thanked the Finnish federation, the Pajulahti Olympic Centre, athletes, coaches, and officials, who made it the biggest and most successful tournament held by IFAF.
- A snapshot of the milestones reached in 2024: International Society for the Advancement of Kinanthropometry (ISAK) study of athletes, ITO study of officials, Headcheck Health, Syzmik Research, Integrity Commission.
- IFAF conducted a record number of anti-doping tests in 2024.
- IFAF saw significant growth of its digital footprint: web, social, IFAF TV, particularly during tournaments.
- Sustainability was prioritised within IFAF activities.
- Developing IFAF's commercial portfolio to enable reducing costs to members and creating new partnerships.
